Fox Fine Wines // Planet of the Grapes

Fine Wine Bars & Shops

Summer Offer with 41 Moorgate

With a total of four locations, Planet of the Grapes has been a long-standing City institution when it comes to fine food and wine.

Not only do we sell both everyday and fine wine & spirits to take-away, all of our bars offer a variety of tasty dishes, from charcuterie & cheese platters to steak & chips to enjoy with that glass (or bottle!) of wine.

Throughout the year, our Bow Lane, Fox and Sicilian Avenue sites hold many winemaker dinners, tastings and masterclasses which are designed to be informative yet very informal and tons of fun. As well as our own events, we cater for private bespoke functions from 10 to 80 people, whether you're after sophisticated drinks and nibbles or a let-your-hair-down dance-all-night kind of party, Planet of the Grapes can make your event one to remember.

We would like to offer to 41 Moorgate's tenants a 15% off at the nearby Fox Fine Wines & Spirits site.
